With respect to Children’s Privacy, we never collect or maintain information from those we actually know are under 13. We restrict access to nonpublic personal information about you to those employees and outside contractors who need to know the information to provide product or service to you. We prohibit our employees and agents from giving information about you to anyone in a manner that would violate any applicable law or our privacy policy.

INFORMATION SHARING

WE DO NOT SHARE your nonpublic personal information with non-affiliated third parties, except we share information:
